Welcome

To The Plano Christmas Classic

Welcome to Plano High School, a member of the Interstate Eight Conference and the Illinois High School Association.

As administrators and teachers we believe in the highest level of good sportsmanship. Throughout the tournament we stress the importance of displaying respect for all involved, including: the players, fans, officials, and coaches. Poor sportsmanship and rude behavior will not be tolerated from anyone. You are reminded that the players on the floor are the sons of someone near you in the stands, please show them due respect for the efforts they put into the game. We are here for the young people, to provide an opportunity for them to learn and excel in a chosen endeavor.

We hope that everyone who attends the five days of the tournament has a good time watching excellent basketball. We at Plano High School wish everyone a Merry Christmas and a great New Year.

The format with a 24-team varsity tournament and 16-team sophomore tournament will be running at the same time.

This complimentary program is provided by the businesses that advertise in its pages. Please show your appreciation by visiting them in their place of business. If we can be of assistance in any way, please do not hesitate to ask a tournament administrative official for help. Have a great time at the 50th Annual Tournament.

PAST CHAMPIONS

YEAR	CHAMPION	RUNNER-UP
1963	Wauconda	Streater Woodland

ATHLETIC COMPETITION

Athletic competition is a very important experience. It provides opportunities to test athletic skills and abilities in competitive situations. It also provides a realization of successful encounters and "never forgettable memories."

The first step to meet competitive challenges takes place in demanding practice sessions. The athletes realize that they must discipline their minds and bodies and cooperate with their coaches and teammates to prepare for "game time" competitive challenges.

We salute all former athletes who have achieved worthwhile goals in athletics, and we wait in excitement to cheer the present athletes to new athletic endeavors.

WHERE THE LEGACY BEGAN

Experience the sights, sounds and feel the heat in the working replica of John Deere's blacksmith shop. Visit the house that John Deere built. Explore artifacts found during an archaeological dig that uncovered the location of John Deere's original blacksmith shop.

Group tours available during the winter months.

FREE admission for scheduled school groups.
