- 9.) Went over Rules, No Changes to "C" Rules, The "B" bat rule was discussed, to 2 5/8 barrel, and drop weights, No changes made to the Bat rule. Nathan Murry made a motion to change pitching rule to number of pitched instead of innings, after a very long discussion, Jason from HBR made a motion for a new pitching rule, each pitcher is allowed 6 innings per week, with a limit of 65 pitches per game. If there is a discrepancy between the two teams on how many pitches a pitcher has thrown, the two sides would add them together and divide by 2, to get the number of pitches. If a pitcher hits the 65 pitch mark in the middle of a batter, he is allowed to finish pitching to the batter. Regular rest rule applies. In the event of a rain make up game added to the schedule, each pitcher is given 3 more innings for the week(No More than 35 pitches), where the rest rule will not apply in the make up games innings. 2nd by Sandwich, voted on: All Approved, Non Opposed, Motion carried.
