SUMMARY – this was our best overall game. We played well in all facets of the game. “ We did a nice job of executing at the plate. We have really improved a lot in the past 2 weeks.”

This day was all about SR. lefty Nate Chapman. Chapman has been battling tendonitis all season and was limited to only 3 innings on the hill prior to his start vs Wilmington. All Chapman did was take a no-hitter into the 7th. After a walk Chapman needed 1 more strike before a Wildcat hit a gapper. “ Chapman was just awesome today . He hit corners all day and sstayed ahead in the count all day. He made a good pitch to the kid that hit the gap , he hit it the opposite way . He gave us a big lift today” , said coach McDowell
